## **Scholarships for North Carolina's Latino Students** ***Becas para los estudiantes latinos de Carolina del Norte***

Education is an important part of our mission here at El Pueblo, Inc., and we have made it a priority in our youth outreach to aid and encourage North Carolina's Latino youth to pursue higher education. We realize the cost of college can be a major financial barrier to higher education for Latino youth, but we also know that there are in fact ways to pay for college out there. It may just take some work to find them. El Pueblo, Inc. has compiled this list of scholarships for Latino students in North Carolina in order to aid them in their search for ways to pay for college. The scholarships are listed alphabetically. Scholarships with special program requirements are in a separate list following the general scholarships. At the end of the list, the names of the scholarships are also listed by the educational level of the applicant in order of deadline (fall to summer). **Scholarships that do not have a citizenship requirement are indicated by the symbol: ✓. Local scholarships are indicated by the symbol: ©.** Remember to check with your school's Guidance Office or Financial Aid Office for local scholarships offered to students at your school. Local community organizations, employers, employers of parents, and your church would also be good places to check for additional scholarship opportunities.

If you have questions or need help with the scholarship and financial aid search, feel free to contact our Higher Education Coordinator Amanda Giese at (919) 835-1525, ext. 227 or email her at [amanda@elpueblo.org](mailto:amanda@elpueblo.org).

*La educación es una parte muy importante de nuestra misión aquí en El Pueblo, Inc., y por eso es una prioridad fundamental para nuestro Programa Juvenil animar a la juventud latina de Carolina del Norte a seguir con la educación superior. Nos damos cuenta que el costo de la Universidad puede ser una gran barrera financiera en cuanto a la educación superior para nuestra juventud; pero también sabemos que hay maneras para poder pagar por los estudios universitarios. Sin embargo, muchas veces, se requiere mucho tiempo y esfuerzo para encontrarlas. El Pueblo, Inc. ha compilado esta lista de becas para estudiantes latinos en Carolina del Norte y así, ayudarles en su búsqueda de opciones para pagar por los estudios universitarios. La lista está ordenada en orden alfabético. Las becas con requisitos de sus programas están en una lista después de la lista de becas generales. Al final, los nombres de las becas están listados de acuerdo al nivel de educación del candidato y ordenadas por el mes de su fecha límite (el otoño hasta el verano). **Las becas que no tienen un requisito de ciudadanía son identificados por el símbolo: ✓. Las becas locales son indicadas por el símbolo: ©.** Acuérdate de revisar con la Oficina de Orientación o la Oficina de Ayuda Financiera de tu escuela para ver si hay una lista de becas locales que se ofrecen a los estudiantes de tu institución. También es posible que haya oportunidades adicionales de becas en organizaciones comunitarias locales, el lugar donde trabajas, el lugar donde trabajan tus padres o tu iglesia.*

*Si tienes preguntas o necesitas ayuda con la búsqueda de becas y ayuda financiera, pónete en contacto con nuestra Coordinadora de Educación Superior Amanda Giese al (919) 835-1525, ext. 227, o vía email: [amanda@elpueblo.org](mailto:amanda@elpueblo.org).*
