Tuck River Cleanup

Students are making up for not being able to participate in the Annual Tuck River Cleanup last April. Participants are encouraged to pick up trash at any outdoor location and take a selfie. They can then show the photo at the front desk of the Campus Recreation Center to receive a free t-shirt.

Being Me In Cullowhee

Campus Activities introduced a new virtual series of 'Being Me in Cullowhee.' The series will explore students' various identities and their unique experiences on campus. The first in the series ask three students what it is like "Being Black in Cullowhee". Thank you, Alan, Ajaylah, and Lance, for sharing your story.

Family Weekend

Although circumstances did not allow us to hold Family Weekend this year, we are looking forward to continuing this tradition in the future. There will be more opportunities for you to get involved in the University Culture, and we look forward to continuing this tradition next year.

Time to Apply for Graduation!

In order to graduate, you must apply for graduation.
Visit graduation.wcu.edu for more information

If your student will complete their degree in the Fall 2020 semester they need to apply for graduation by **September 18th**.

CLASS OF 2024

Events for Our Newest Catamounts

Traditions are important and we understand that not being able to participate in the events our new students and family members typically participate in has been disappointing. If your student is a new freshman, they can participate in the Freshmen Run next Fall.

Class of 2024 T-Shirt

During move-in, your student could obtain their Class of 2024 t-shirt. If they have not received their t-shirt, it is not too late. Ask them to email StudentAffairs@wcu.edu with their name, preferred shirt size, and mailing address.

Catamount Community Courses

All new students are required to complete Catamount Community Courses. For most students, this includes a course in Alcohol Education, Sexual Assault Awareness, and Diversity, Equity, and Inclusion. Students were asked to complete these prior to attending classes. If your student has not completed this requirement, a hold will be placed on their account and they will not be allowed to register for next semester classes until the courses are completed.

Use of Email Information

Your email can be used to communicate university information. If you no longer want to receive university communications, please click on the red stop button to your left and type "STOP" in the message.
