Congratulations to all of our fraternity and sorority members who are graduating this December. GSED is proud of all your hard work and thankful for your dedication to our community. Please take time to value the time and energy you've put in, and know that the degree is yours and nothing can take that away or diminish its value.

If you have anyone in your chapters who has done something awesome, let us know so we can celebrate that!
Happy Holidays to all of our fraternity and sorority
Catamounts! Take this break to rest, relax, and re-energize
while enjoying your time with friends, family, and loved ones!

MAJOR HIGHLIGHTS AND
ANNOUNCEMENTS

THANK YOU!
GSED would like to thank everyone for getting their
rosters in before the deadline, and thank those of you who
have sent us your new Executive Board rosters! Although it may not seem like
a big deal to you, it makes our jobs a lot easier. We
appreciate you! If you haven’t sent in your Executive Board
yet, please do so ASAP!

FINANCIAL AID
SCHOLARSHIPS
GSED would like to let everyone know that the
scholarships for financial aid through WCU are open!
FAFSA for the next year is also open! There are many
opportunities for aid, so please be sure to take them!

PLANNING FOR
SPRING 2021
As your chapters begin to make plans for events, programs, and meetings for
the Spring semester, GSED is requiring that these plans be made under the current COVID
guidelines that are set by WCU. These guidelines are not going to be changed for the foreseeable future, so in order to save everyone time and headache it is best to go with what we currently know.

PLEASE REMEMBER TO RUN
ALL IN PERSON EVENTS BY
CALEB, LC, OR SHELBY
BEFORE THEY ARE SET AND
MARKETED - THIS IS TO
ENSURE THAT ALL EVENTS
FALL WITHIN GUIDELINES
AND DO NOT POSE ANY RISK.

KUDOS
Congratulations on making it through Fall semester this year with minimal issues and conflicts. GSED appreciates your hard work, flexibility, and adaptability during this time.

CATAMOUNTS
CARE
GSED would like to remind you that all students, faculty, and staff must be wearing their masks, physically distancing, washing their hands, and doing what they need to in order to keep everyone safe. You
should not be gathering in groups of more than 10 people indoors and 25 people outdoors, unless specified capacity regulations allow more people.

GRADE REPORTS
GSED will be trying out a new, faster system to collect grade reports for your chapters. We will first have to take a few samples and conduct the reports by hand, then compare them to the new “button program” we have, and if they match then we will be able to move forward with that “button program” quickly!
We will work diligently to attempt to get reports out by December 23rd.
