

Greetings!

The Employee Exception or Non-Person Access Form has been retired.

If you are looking to create Student Worker accounts, please follow this [link](#) for instructions.

If you want to create a Generic Account, please fill out this form [Here](#). A ticket to IT will be created once the form is filled out.

For any questions, please contact the IT Help Desk at 828-227-7487 or visit the Technology Commons in the basement of the Hunter Library.

Note: If you have this site book marked, you may want to update it.
