Presidential Management Fellows (PMF) Program - Bearing the Presidential moniker, the PMF
Program is a flagship leadership development program at the entry level for advanced degree candidates.
In addition to salary and benefits, the PMF Program gives you a lot in return for your hard work. Your two-year appointment will provide a fast-paced opportunity to gain experience and develop your talents. You will be challenged with opportunities to flourish into a problem solver, strategic thinker and future leader. In addition to working at a single Federal agency, you may have the option to participate in a rotational opportunity at another agency. These rotational opportunities will challenge you even further and give you insight into how other areas of government operate. As a PMF, you can take your experience anywhere you want to go with your career. Many PMFs have continued their Federal service; many others have gone to the private sector, academia and the nonprofit world. Learn more, and apply, at http://www.pmf.gov. Deadline is November 13.
