* The **Community Health block** includes a required precepted experience in an approved community health setting.

** The **Leadership block** includes a required precepted experience in an approved clinical setting.

*** Students must complete 6 hours of **upper level electives** (ULE), Students may take the upper level electives with their blocks as recommended above, OR can add in an additional semester to take their ULE courses alone.

- **Upper Level Perspective (ULP):** Western Carolina University also requires at least one of the ULE’s to be designated as an “Upper Level Perspective” (ULP). This requirement is waived for a students with a prior approved Bachelor’s degree, Associate of Arts or an Associate of Science degree. An Associate of Applied Science in Nursing does not waive this requirement. Students that have their ULP waived must still complete the 6 hour upper level elective requirements through WCU. 62 hours is required starting in fall 2018.

### 62 or more Transfer Hours

6 upper level elective hours are required
