INTRODUCTION

This manual is intended to be a resource for all Recognized Student Organizations (RSOs) at Western Carolina University. It includes helpful information for potential and current student organizations and advisors, about campus procedures that relate to recognized student organizations. RSO’s are defined as any student-lead organization recognized by the Student Government Association (SGA) under the Department of Campus Activities (DCA).

We encourage you to take time to familiarize yourself with the information provided in this manual as it will help answer questions as to how to ask for funding, available resources to strengthen organizations, information on Engage our online management tool, and more. Our goal is to help show student leaders and advisors the services we offer to you and your organization.

Additionally, many recognized student organization resources and processes can be found online at engage.wcu.edu. DCA encourages all students to join Engage, especially those who are a member (or active) with an organization. Log into Engage often for updates on upcoming events, noteworthy due dates (ex: asking for recognition, funding requests, etc.), and messages from the Department of Campus Activities.

Student Involvement within the Department of Campus Activities is here to assist you with any questions you may have in creating a new club on campus, or assist with guidance to better an organization already on campus.
**Student Government Association**

The Student Government Association is housed within the Department of Campus Activities and has an active role with recognized student organizations through the Director of C.O.R.E. (Clubs and Organizations Reaching Excellence). They hold the responsibilities to accept/deny organizations who want to charter (become recognized), meet monthly with student leaders, and help guide student leaders who have questions and concerns.

**Requirement to Continue Recognition**

The Director of C.O.R.E. serves as the student government liaison to recognized student organizations. The Director of C.O.R.E. meets monthly with a representative from each organization at a C.O.R.E. Training. There are two tracks to keeping recognition through the year. Track one: club president attends the Presidents CrashCORE Training and club attends two CORE Trainings during the year. Track two: club attends 4 CORE Trainings during the year.

Please read Article X of the SGA Bylaws as they relate to the requirements and responsibilities to recognized student organization members and Advisors. It can be found on Engage within Documents under the SGA portal.

**University Policy 82 Definitions**

“Affiliated Group” means a group or entity that is directly or indirectly controlled by, controlling or under common control with the University.

“Non-University Group” is a group other than a University Group or Recognized Student Organization that is a legally separate entity from the University, even though some of the members or participants may be University personnel, alumni, or students. A Non-University Group also may be a single individual.

“Recognized Student Organization” means the Student Government Association and other student clubs and groups that have been officially recognized by the University. A Recognized Student Organization also may be considered an “affiliated group.”

“University Group” is an administrative or academic unit within the University, staffed by state employees acting within the scope of their employment. A University Group also may be considered an “affiliated group.” A University Group may also be a single University employee.
RSO Benefits

Beyond the obvious advantages of being a recognized student, there are many other rewards for students who engage in student organization activities. First, RSOs add an important component to campus life at Western Carolina University by allowing the student voice to be heard and seen on campus. Second, students gain valuable experience in the practical aspects of leadership, communication, risk management, respect, responsibility and teamwork. Studies have shown that students involved in a student organization maintain a higher GPA and are more active on campus. Look into the organizations that WCU already offers and if you have an idea for an organization visit the Department of Campus Activities to get registered as a WCU recognized student organization!

Some benefits are:

- Recognition in and usage of an Engage portal (free online calendar, messaging, photo albums, website, and more)
- Receive a discounted room usage and equipment check-out rate in comparison to other non-recognized student groups and other students in general.
- Ability to receive a WCU email account for club usage on campus and with community partners (ex: sga@wcu.edu for the Student Government Association). If interested, please complete the form under ‘RSO Email Account Request’ form within the Student Involvement portal on Engage.
- Right to request supplemental funds from the Student Government Association
- Ability to apply for a club office space in DCA for the following semester or academic year
- Access to specific RSO materials/supplies provided by Student Involvement within DCA.
- Fundraise on campus consistent with Policy 114
- Receive priorities in participation with campus events, such as Valley Ballyhoo, Homecoming, tailgating locations, etc.
- May be nominated to win an award at the annual Celebrate Excellence Student Leadership Awards for your organization’s involvement on campus or as an organization member.
- Access to ongoing and direct support from DCA staff and the SGA Director of C.O.R.E.
- The privilege to use the university’s name as part of the organization’s name (Note: the phrases “WCU” or “Western Carolina” or some form thereof cannot precede the title of the organization)
- Opportunity for collaboration with departments and offices across campus
- Ability to have a WCU fund created to collect and manage club fundraiser monies, dues, etc.
How to Start a Recognized Student Organization

Organizations are recognized by the Student Government Association and Student Involvement. The primary intent is to permit students the opportunity to join together to meet specific interests and needs. Self-determination, both in governance and program development, is a very important factor. While affiliation with national associations is encouraged where appropriate, student organizations are intended to serve the needs of WCU students first and foremost. Please have all members of your organization join Engage and the newly listed organization. Communication will be sent through email to the student individual who submitted the recognition request through Engage. Once you've submitted your request, you will be considered a pending RSO while being reviewed by the SGA, which takes approximately 2 weeks. Once a decision has been made, you will receive an email from Engage.

Here are the steps to start a RSO:

1. Contact and meet with the Assistant Director for Student Clubs and Organizations.
2. Gather all required information needed for a recognized student organization.
   a. Roster of 10 students
   b. Faculty or Staff Advisor
   c. Constitution (Sample Constitution can be found here: https://wcu.campuslabs.com/engage/actioncenter/organization/westerncarolinauniversity/documents)
4. Schedule meetings, elect officers, and define club mission with reachable goals.
5. Market club and begin programming, fundraising, and more.
6. Send a club representative to all monthly C.O.R.E. Trainings required for recognized student organizations.

If Approved: The organization is now recognized and can move forward in planning, etc. The organization is accountable for operating consistent with the approved Constitution, RSO Agreement, SGA Bylaws, and the Code of Student Conduct.

If Denied: SGA/DCA will communicate to you through email with the rationale as to why the request for recognition was denied. This email will include instructions for appealing this decision to the Director of the Department of Campus Activities. The Director will then communicate the final decision in writing.

If Deferred: You will receive an email for more information that is needed or any concerns that need to be addressed. If we defer the request back to you, the organization will remain pending until we have the needed information to approve/deny it; if no information is given within two weeks, the request will be automatically denied.

Discrimination and Shared Beliefs Membership Requirements

The University has an obligation to comply with federal and state laws, regulations, executive orders, and policies prohibiting unlawful discrimination. The University also acknowledges that RSOs have constitutional rights to freedom of expression and assembly.

Membership and participation in the organization must be open to all students without regard to age, race, color, creed, national origin, disability, religion, religious status or historic religious affiliation, military veteran status, political affiliation or sexual orientation. Membership and participation in the organization must also be open without regard to gender, unless exempt under Title IX. Title IX Sec. 106.41 Athletics:

“(a) General. No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person or otherwise be discriminated against in any interscholastic, intercollegiate, club or intramural athletics offered by a recipient, and no recipient shall provide any such athletics separately on such basis.”

For more information about Title IX regulations, please visit: http://www.justice.gov/crt/federal-coordination-and-compliance-section-84.

RSOs that select their members on the basis of commitment to a set of beliefs (e.g., religious or political beliefs) may limit membership and participation in the organization to students who, upon individual inquiry, affirm that they support the organization’s goals and agree with its beliefs, so long as no student is excluded from membership or participation on the basis of his or her age, race, color, national origin, disability, religious status or historic religious affiliation, military veteran status, sexual orientation, or, unless exempt under Title IX, gender.

For any RSO with membership requirements that include a set of beliefs, we may require additional documentation including a statement of these beliefs, and a description of how the RSO will make membership decisions while avoiding unlawful discrimination. Please contact the Assistant Director for Student Clubs and Organizations for additional information.

In determining cases of alleged discrimination, the University will look not merely to the constitution and other organizing documents of an organization, but to its actual practices and operations.
See University Policies #10 and #53: http://www.wcu.edu/about-wcu/leadership/office-of-the-
chancellor/university-policies/numerical-index/.

Organizational Responsibility RSOs are expected to follow the Code of Student Conduct and other
University policies when operating as part of the University community. Failure to do so may cause the
organization to be charged with violations. Such violations can include ability to apply for recognition,
absence of an advisor, failure to respond to the international organization (if applicable), any violation of
University policy, and/or having a lack of members.

Each recognized organization will be held fully liable for its activities and any claims against the
organization if found responsible could result in personal liability on the part of its officers and
members.
Advisor Expectations

The Department of Campus Activities would like to thank you for volunteering your time and efforts to being an advisor to one or more recognized student organizations. The position of advisor is vital to the growth and development of not only the organization but its members as well. As an advisor to one or more of WCU's Recognized Student Organizations (RSOs) you serve as a resource to the organization/s. We recognize different advisors have different approaches to interactions with organizations; some may be hands on while others serve as more of a background support system. Whichever approach best describes your advising style all RSO Advisors are expected to:

- **Must complete annual training for their role as a “Campus Security Authorities” under University Policy #116 – Clery Act Compliance**
- Have an understanding of RSO procedures found in the RSO Manual (located under ‘Documents’ within the Student Involvement portal on Engage), University Policies regarding student organizations (http://www.wcu.edu/discover/leadership/office-of-the-chancellor/legal-counsel-office/university-policies/numerical-index/index.aspx), and the Code of Student Conduct (https://www.wcu.edu/experience/dean-of-students/student-community-ethics/wcucode.aspx)
- Communicate with the students in the organization (Regular email correspondence is strongly encouraged)
- Attend semester advisor meetings held by the Department of Campus Activities, when possible
- Have at a monthly check-in with the organization
- Be aware of all events and business transactions of the organization
- Be aware of financial transactions (such as contracts, purchase orders, etc.) and whenever the organization travels
- Motivate and advise the organization in its efforts to uphold the mission, purpose, rules and regulations of the organization as well as those of the university
- Help in progressive goal setting for the organization
- Assist in the further development of the organization's constitution and bylaws as needed
- Provide or facilitate appropriate training as it relates to the organization. Example: Parliamentary procedure, space reservations, etc.
- Be trained in the use of Engage and should attend scheduled Engage trainings as necessary
- Communicate with the Department of Campus Activities when unclear of possible violations of the Code of Student Conduct. If the violation is with a club sport, please communicate with the Department of Campus Recreation and Wellness.

*Advisors cannot represent more than 3 organizations.*

If at any time you need any further assistance or clarifications, please do not hesitate to contact the Assistant Director for Clubs and Organizations located in the A.K Hinds University Center.
Recognition Process

The Recognition Process occurs each year at the end of April and ends mid-September. It is a process where current organizations update their information (whether there are changes or not) on the Engage profile. Specifically, we look to see changes in President, Vice President, and the constitution. DCA and SGA need updated contact information for each organization and a current constitution for each club.

* The deadline for organizations to apply for recognition is September 13, 2019. If an organization does not complete the Recognition Process by the due date, it will be marked Inactive and will remove all benefits offered to RSO's will be withdrawn until your information is updated. The final list will be shared with DCA Administration as it relates to space reservations, funding, etc. (If an organization is inactive, DCA may charge a higher rate for space usage and funds through SGA will be revoked.)

Denying Factors?

Submissions for recognition that are denied are due to one or more of the following reasons:

1. Failure to provide all necessary information (contact information, constitution, etc.)
2. The staff or faculty member who is listed as the clubs' Advisor did not agree to be the Advisor
3. Failure to meet financial obligations to the university
4. Failure to adhere to WCU's Code of Student Conduct
5. Failure to adhere to University policy or Local, State, or National laws
6. Organization has been placed in inactive status, probation, or suspension
7. Organization is listed as an unrecognized organization on campus

Administrator Status on Engage

Due to normal transition between student leadership within organizations (ex: graduation; removal of office, etc.), it is necessary for those on ENGAGE who have Administrator status to help give newly elected executive members Admin rights to their club page so that they can successfully complete the recognition request for the year and create any other edits to the clubs ENGAGE page as needed. To do this, simply update the Roster on the club portal matching an officer to a created position in Engage; this will automatically grant administrator rights.
RSO Branding Policy

Affiliation of Recognized Student Organizations with the University and Naming/Logo Guidelines

Recognized Student Organizations and Club Sports Nomenclature

When referring to a recognized student organization (RSO) excluding club sports please indicate affiliation by location of the RSO at Western Carolina University, as opposed to inferring university governance or control over the RSO such as Western Carolina University (WCU) RSO Name.

Examples:
Correct Usage: Relay for Life at WCU
Incorrect Usage: WCU Relay for Life

Recognized Student Organizations: University Representation, Logo Creation and Usage

RSO’s are allowed to recognize and identify themselves as part of the University through logo usage. When using the WCU logo or name, organizations are representing the university and should conduct themselves as such including any slogans or taglines that are developed.

RSO’s can use the University’s institutional primary mark on uniforms, signage, website, social media for publicity, recruitment but must not be incorporated into a custom logo and must adhere to the graphic style guide. (branding.wcu.edu) RSOs may use a self-designed logo which does not incorporate any University trademark, or logo so long as such use does not infringe upon the trademarks, copyrights, or other rights of a third party.

Special Permission: Club Sport and University Representation with Athletics Logo

Club Sport teams participate in athletic competition and represent WCU within local, regional, and national leagues and tournaments. In support of these athletes, the university has authorized the use of the Athletics stacked cat head logo for use by the Club Sports Program and its club sport teams.

The logo by itself may only be used on in-game uniforms and only be worn by the club players in the game. If a club sport chooses to use the Athletic logo on practice, warm-up and work-out attire/apparel, it must include the club sport team name. Club Sport teams can also use the Athletic logo with their club sport name on print and digital media but the logo must not be incorporated into a custom logo and must strictly adhere to the graphic style guide.

- No other sponsor logos may be used on apparel or equipment that uses any university mark or logo.
- No club sport can sell any merchandise with any university mark or logo to anyone.

Any violations of these guidelines may result in sanctions as defined by the Code of Student Conduct.

Any items produced using WCU, Western Carolina University, or any official university logos must adhere to the graphic style guide and be ordered and sold through an officially licensed vendor. For information on approved vendors contact Learfield Licensing Partners (www.learfieldlicensing.com) or the WCU Marketing Director.
SGA Supplemental Funding

As mentioned in the ‘RSO Benefits’ above, all recognized student organizations can request supplemental funding from the Student Government Association. When creating their budget each fiscal year, the SGA designates a certain amount of funds for RSO requests only. Outside of these funds, recognized organizations do not receive any initial funding from SGA or the Department of Campus Activities.

What does 'Supplemental' mean? Supplemental is an additional means for funding. Therefore, when reviewing all requests, SGA includes a question within the form asking, "What has your organization done to help fund the event?" More specifically, SGA wants to know if your organization has tried any fundraisers, collected dues, etc.

How do I ask for Supplemental Funding? The Supplemental Funding Request form is located in the SGA portal on ENGAGE within Forms. Please read the instructions before completing the form as it explains the process and due dates.

*All entries to the Supplemental Funding Request form need to be entered in 22 business days prior to the event/trip (holiday breaks are not factored into this time period).

Please make sure when you ask for funds that the student body can benefit from your usage. In reviewing the request, it will be determined which WCU Core Values & Guiding Principles the funds will touch. Here are some examples of approved funding requests:

- **Excellence in Scholarship, Teaching and Learning:** Sending representatives to attend a conference related to your organization.
- **Collaboration with and Respect for our Communities:** Hosting an event on campus with either another RSO or a department on topics surrounding service projects, collection drives, or improving western North Carolina.
- **Free and Open Interchange of Ideas:** Opportunity for funds to be used for forums, debates, or an event with focus on sharing opinions and personal viewpoints.
- **Responsible Stewardship and Organizational Effectiveness:** Funds to be used for taking actions to improve campus concerns or for large-scale items the organization needs to perform or improve.
- **Organizational and Environmental Sustainability:** Hosting an event on campus in line with your organization's mission that will benefit the student body.
- **Cultural Diversity and Equal Opportunity:** Programs/meetings dedicated to showcase diversity inclusion or recognizing and celebrating culture's unique differences, religions, and traditions.
On-Campus Fund Account

812 Fund: This is a fund created by the University for a student organization to keep up with dues and other financial processes of the club. The fund is through the school and money can only be taken out by request for a travel advance, check request, or a purchase order. When you request a fund account you will be asked who will be the accountable officer (who is a faculty or staff member), the nature of the fund, where the funds will come from, and basic information about your RSO. Once submitted it usually takes up to two weeks to complete. Once the fund has been created you will receive an email with the fund name and number.

Money for deposit should be counted and brought to the DCA Office Manager Monday-Friday before 2:00 pm. Please include your name, name of the RSO, and amount being deposited, separated in cash, check, etc. You may request a balance at this point. We do not encourage organizations to hold onto money as it can be lost. The DCA Office Manager will manage the funds and track spending for organizations; outside of standard tracking (where something is purchased, how it was paid, how much it cost, etc.), it is up to the organization in recording any additional information on their own.

Inactive 812 Fund Accounts

Any funds that are left in an Inactive recognized student organization’s account through the Department of Campus Activities for greater than three academic years will be removed from the organization’s account and transferred to the Student Government Association’s operational budget to be used toward recognized student organizations. These funds are at the discretion of SGA which includes providing money for printing and general programming when those needs do not meet the requirements for SGA Supplemental Funding.

Division of Student Affairs Donations Protocol for RSO’s

Any donation received by an RSO must be submitted to the Assistant Vice Chancellor for Student Affairs for submission to the Office of Development and Alumni Engagement for donors to receive a tax credit within one business day of receipt. All campaigns soliciting donations, sponsorships, or matching funds must be approved. Donations will be reconciled at the start of each month for the preceding month and all funds will be transferred to the Department of Campus Activities. A report will be created upon reconciliation and sent to each RSO receiving funds. The Department of Campus Activities will send thank you correspondence to donors.

If an RSO enters inactive status, unspent donation funds will be held for three academic years and then revert to the Department of Campus Activities. Any gifts secured for an inactive RSO, will be held by the WCU Foundation until reactivation paperwork is completed.
**Purchase Order (PO) Process**

Turn into the DCA Office Manager: Please fill out the PO Request form (half-sheet) which can be found on the student worker desk within DCA. (If you are asking for a Purchase Order from your student organization’s fund you will need to submit your request at least fourteen days before the due date.) The following information will need to be included on the form:

- Organization name, your name, email, the date you need the PO, name of person who will be shopping, amount needed, and a detailed description of what you will be purchasing. There are different codes that are needed for different items so you will need to be specific as to what you will be buying. Some of the categories are:
  - Food {chips, hamburgers, buns, drinks, and all edible food products}
  - Non-food {plates, napkins, forks, cups, and all disposable cutlery and paper products}
  - Household Items {soap, cleaner, air freshener, sponges, and anything of the sort}
  - Misc. Items {this can catch things like decorations, and craft supplies}

If you need an item you are not sure about please ask, we may have to do a single PO for it. You will be contacted for clarification on items as needed. If you are planning to turn in a PO request for a vendor (such as a promotional company) please check with the DCA Office Manager first to make sure that we work with that vendor. It is a lot easier to order from a company already in the Purchasing system.

Once the PO has been received and is approved, you will receive email notification and it will be printed and placed in the yellow PO folder outside of the DCA Office Manager’s office.

When utilizing a PO please return it along with receipts (including original register receipt and any other receipts from the company) within two business days to the DCA Office Manager.

If you are requesting a Check Request to pay a company with your student fund, please submit the following information two weeks in advance of when you will need the funds:

- Company Name
- Amount
- Address
- Email Address
- Phone Number
- Why you are paying them, with supporting documentation, on letterhead
- Invoice from company
- Per new regulations, an original W-9 from the vendor may also be required
Independent Contracts: If you are using a company that does entertainment and requires a contract, please let the DCA 2nd Floor Office Manager know what vendor you’re corresponding with. An independent contract is used when hiring an individual (such as a speaker, Zumba instructor, etc. The DCA 2nd Floor Office Manager needs 90 business days (or 18 weeks prior to the event) to manage a completed contract from the company/individual before getting multiple signatures on campus prior to processing.

Reimbursements

Reimbursements may only be granted to anyone who has a WCU 920 number (which includes students, faculty, and staff). Although there is no official approval needed in advance, please check with the DCA Office Manager to ensure that what you are purchasing can be reimbursed. Itemized receipts must be submitted to the DCA Office Manager. Receipts that include taxes charged may be reimbursed in full as long as the receipt is itemized. Any receipt that includes alcohol purchase will not be accepted. The Office Manager will also make sure there is nothing on the receipt that was purchased in which the university has contracts with. For example, Coke products are highly discouraged due to our contract with Pepsi. Office supplies will only be reimbursed if purchased through Staples.

Reimbursements will be granted to the spender only with advanced approval by the DCA Office Manager. Receipts are due to the Office Manager within 30 days from the date on the receipt. The university will not complete any travel advancements for students.

Items that are not able to be reimbursed are: alcohol, gift cards, tobacco products, and batteries.

Travel

Please work with the DCA Office Manager to process any travel from funds out of a club 812 account. Pre-approvals must be completed 30 days before travel occurs. Meals are paid for by per diem after travel has completed by these amounts outlined in the WCU Travel Manual (http://www.wcu.edu/WebFiles/PDFs/TravelManual.pdf).

If using university funding or a club 812 account, students must continue to abide by the Student Code of Conduct while traveling off-campus. Please speak with the DCA Office Manager to determine any additional paperwork (outside of the Pre-approval) that is needed for your organization to travel (such as any liability forms, etc.). Please see the DCA Office Manager to discuss the processes for using personal mileage and an Enterprise or university vehicle.
Guidelines to Successful Fund-Raising

All fundraisers must be approved by the Director of Campus Activities (Solicitation form All fundraisers must be approved by the organization’s advisor in advance.

1. Organization: Fundraising should not be left up to one organization member but conducted by the entire organization. Establish a committee, a chairperson, a treasurer and a publicity coordinator. Map out a strategy and work together to make a successful fundraiser.

2. Contingency Plans: Any fund-raising endeavor can be successful if careful planning takes place ahead of time. Establish a realistic schedule that allows ample time for planning, meetings, resource gathering, etc., and always include deadlines. Your schedule should allow for the event to take place in the proper season, i.e., don’t try to squeeze in a car wash in December. Have goals and alternative plans (options) ready if the goals are not met on prescribed dates.

3. Budget: Set up a budget for all fundraising events and estimate possible expenses. Keep all receipts and record all transactions. You can also approach businesses for sponsorships, prize donations, and discounted services to offset the costs of the activity.

4. Image: Make sure that any fund-raising enterprise that you undertake is good for your image. Fund-raising also advertises your organization, be sure the image you present is professional. Bring in the media on your fundraiser if at all possible. Increasing the amount of attention you receive increases your chances of being successful. Recall the Code of Conduct when selecting businesses to approach.

5. Reason: If at all possible, fundraise for a specific need. You will get a much better response if the money is actually for something.

6. Amount: Make sure the fundraiser you’re doing fits your needs. If you need to make $2,000 is having a carwash really the right way to go?

7. Effort: The key to a successful fundraiser. Pursue projects that will give you maximum return for minimal investment in money and/or person power. Do not pursue a project that is more than you can handle or more than you need.

8. Facility: If you need facility space, make sure you reserve the space that will meet the needs of the activity prior to planning the event. You do not want to conflict with another campus activity or try to fit too many people into a small facility.

9. Publicity: Publicize the event. You can contact radio, TV, newspapers with Press releases, or advertise on your own. Social media outlets have proven to be very effective.

10. Incentives: Where the direct sale of merchandise by individuals is involved, set up prizes for various levels of sales volume. Establish a plan that will maximize the number of winners, and so the number of sales people.

11. Evaluation: Evaluate the fundraising event from the time you begin planning to the end of the project. Keeping these notes on hand will make it easier to plan activities in the future.

12. Sales: For sales on campus, the Campus Activities Solicitation form must be completed and turned in before your sale. For food sales the Aramark Approval form must also be completed.

13. Raffles, drawings, etc. are considered “games of chance” and are prohibited by NC Statute § 14-292.
Matching, Sponsorships, and Donations

All matching funds, sponsorships, and donations must be submitted to the Assistant Vice Chancellor for Student Affairs for approval by the Office of Development. Only solicitations approved by the Office of Development are tax deductible by donors.

Matching Funds: Matching is a great way to double your funds raised. Businesses can match a predetermined amount based on any individual contributions that you raise from the general public or through special events. You will have to scale your request to the size of the business and the amount that you expect to generate.

Sponsorships: Businesses or corporations can be approached and asked to sponsor your organization. They can also approach you. The sponsor gains advertising and good public relations in return for their monetary/equipment donation.

Donations: Businesses or corporations can be approached and asked about donating to your organization. They can also approach you. They may give you money or equipment as the donation. They may also have items they can donate for you to sell or auction. *Nothing is given or done in return for the business unlike a sponsorship.*
Department of Campus Activities: Policies and Procedures

DCA Policies for all information regarding the Department of Campus Activities (DCA) facility usage and costs, solicitation, free speech, etc. please see this website: dca.wcu.edu.

As an RSO you are expected to abide by the DCA Posting Policy and the following guidelines. These guidelines should be thought of as best practices that will help your RSO be efficient and effective in marketing your organization, events and activities.

Poster Guidelines

1. Posters and flyers should adhere to and reflect the values set forth by Western Carolina University Community Creed.

The undersigned Recognized Student Organization ("RSO") represents to Western Carolina University ("University") that it is either (a) a corporation or non-profit corporation in good standing with the State of North Carolina or (b) an unincorporated association existing under the laws of North Carolina in accordance with the terms of its constitution. The RSO further represents that for the duration of this Agreement and as a condition of this Agreement (a) 100% of its members are university students (undergraduate/graduate), and (b) all of its officers are full-time, fee-paying University students. The RSO also represents that its activities and the activities of its members, whether or not sponsored or officially approved by the RSO, do not and will not violate local, state, or federal law or the University's policies, including the Code of Student Conduct.

The person executing this Agreement on the RSO's behalf certifies that:

(a) He/she has read the Agreement in full and understands it; (b) He/she is an officer of the RSO and is authorized by the members of the RSO to execute the Agreement on the RSO's behalf; and (c) The RSO is entering into the Agreement voluntarily and with the benefit of or having had the opportunity to obtain advice from independent legal counsel or another advisor of its choosing.

This Agreement does not become effective until approved by the Director of the Department of Campus Activities or his/her designee. The RSO agrees to provide any information requested by University officials and/or Student Government Association in a timely manner. The RSO further agrees to submit electronically its constitution, any amendments to its constitution or any changes in its officers or their contact information, including telephone numbers and email addresses by the Re-Charter due date set forth from the Department of Campus Activities.

2. Relationship between the RSO and the University

The University is a constituent institution of the University of North Carolina (UNC) and an agency of the State of North Carolina. The RSO is not a part of the University, but rather exists and operates independently of the University. The RSO and the University acknowledge and agree that the RSO is not an agent of the University, and neither has authority to act for the other or commit the other to any activity, transaction, or agreement. The University does not supervise, direct, or control the RSO's
activities; provided, however, the University does regulate and control facilities and property in its charge, and to the extent that the RSO seeks to use the University's public facilities or property to conduct its private activities or affairs, the RSO may be subject to additional terms and conditions governing uses of the specific facility or property. Furthermore, the RSO, its officers, members, and third parties associated with the RSO, are subject to the University's policies and procedures when conducting their business on University property.

3. The RSO's Dealings with Third Parties

The RSO shall not hold itself out as being part of, controlled by, or acting on behalf of the University. The RSO shall take affirmative steps in all of its recruitment, business, and other dealings with third parties (including, for example, prospective members and businesses) to properly explain its relationship with the University as described above in paragraph 2 of this Agreement. As one of such steps, the RSO shall, without exception, include the following statement in the RSO's correspondence, messages, contracts, publications and other written or internet communications:

Although this organization has members who are students of Western Carolina University and may have University employees associated or engaged in its activities and affairs, the organization is not a part of or an agent of the University. It is a separate and independent organization which is responsible for and manages its own activities and affairs. The University does not direct, supervise, or control the organization and is not responsible for the organization's contracts, acts, or omissions.

4. Use of the University's Name and Symbols

The RSO understands and agrees that it may not use any University marks, symbols, logos, motto’s, or other indicia of the University without the express prior written approval of the University through the Vice Chancellor for Development & Alumni Engagement or his/her designee; provided that the University will permit use of its name as part of the RSO's name exclusively and only in the form of "The XYZ Club at Western Carolina University." The RSO must obtain the express prior written consent of the University to use the University's name in any other form.

5. Taxes

The RSO shall not use the University's taxpayer identification number or the University's tax-exempt status in connection with any purchases or sales by the RSO, the receipt of any charitable contributions, donations or gifts to the RSO, or any other activity or purpose of the RSO.
6. Liability, Insurance, Defense, and Notification

The RSO understands and agrees that the University, University of North Carolina system, and their respective governors, trustees, officers, employees, and agents will not be liable for injuries or harm caused to anyone in connection with or arising out of the RSO’s activities or RSO’s recognition by the University, nor will it be liable for any of the RSO’s contracts or other financial obligations, or tortuous acts or omissions, or those of the RSO’s directors, officers, members, advisors, coaches, staff, activity participants, or any other persons associated with the RSO. The RSO understands and agrees that neither it nor its directors, officers, members, advisors, coaches, staff, activity participants, or any other persons associated with the RSO are protected by the University’s or the State of North Carolina’s insurance policies or self-insurance plans, and that the University and the State of North Carolina will not provide any legal defense or indemnity for the RSO or any such person in the event of any claim against any of them. To ensure that all persons associated with the RSO fully understand these terms, the RSO President is responsible to issue this notification to all of the RSO’s current and prospective directors, officers, members, advisors, coaches, staff, activity participants, and any other persons associated with the RSO or engaged in its activities:

NOTICE: You are either considering or currently participating in activities and/or affairs of a Recognized Student Organization (RSO) at Western Carolina University. Although the RSO has members who are University students, and may have University employees associated or engaged in its activities and affairs, the organization is not a part of or an agent of the University. The RSO is a separate and independent organization which is responsible for and manages its own activities and affairs. The University does not direct, supervise, or control the organization and is not responsible for the organization’s contracts, acts, or omissions. The RSO directs all of its own activities and affairs, including but not limited to transportation, travel, tournaments, fundraisers, or any other events. These activities or affairs may, at times, involve a certain amount of risk, and the RSO assumes all responsibility for any such risk. All persons associated with the RSO should ascertain whether they have adequate insurance independently or through the RSO to cover any such risk. Neither the University nor the State of North Carolina provides insurance coverage or legal defense for any claims resulting from the affairs or activities of a RSO.

7. Non-Discrimination

The University has an obligation to comply with federal and state laws, regulations, executive orders, and policies respecting discrimination. Additionally, the University has an interest in (1) regulating the use of University funds and facilities; (2) ensuring that leadership, educational, and social opportunities afforded by RSOs are available to all students; and (3) encouraging tolerance, cooperation, and learning among students by bringing together students with diverse backgrounds and beliefs.
Membership and participation in the organization must be open to all students without regard to age, race, color, creed, national origin, disability, religion, religious status or historic religious affiliation, military veteran status, political affiliation or sexual orientation. Membership and participation in the organization must also be open without regard to gender, unless exempt under Title IX.

In determining cases of discrimination for purposes of this section, the University will look not merely to the constitution and other organizing documents of an organization, but to its actual practices and operations.

8. Funding

The RSO is eligible to receive student fee funds, which are appropriated by the Student Government Association through its appropriations process. The Student Government Association approves RSO funding requests. A RSO that receives student activity fee funds is required to use the funds as it has requested or petitioned and as approved by Student Government Association. Consistent with the terms of this Agreement, the University is not responsible for and has no control over the RSO's activities funded with student activity fees. Under no circumstances may such funds be used to support any activity prohibited by applicable law or University policy.

9. Gambling

The RSO may not participate in or sponsor gambling events or activities. As defined in the Code of Student Conduct: The term "gambling" means operation of any "game of chance" or playing at or betting on any game of chance at which any money, property or other thing of value is bet, whether the same be in stake or not. A "game of chance" is any game or scheme in which receiving something of value depends on chance rather than skill. (NC General Statute § 14-292). Raffles and charity events with games of chance are a form of gambling and prohibited. When there are questions about gambling, RSOs should consult with the Department of Campus Activities.

10. Use of Facilities

The RSO is eligible to use certain University facilities and access the services and resources subject to the policies and procedures or terms and conditions that the University and/or staff set for such facilities, services, and resources. If designated student activity space is assigned to the RSO, that facility's
coordinator/space manager shall communicate the description of such space and any special conditions applicable to its use.

11. Club Sports

Any RSO associated with and identified by the University's Department of Campus Recreation and Wellness (CRW) as a competitive sports team shall be defined as a "Club Sport." Club Sport RSOs shall receive the additional benefits enumerated in CRW's policies and abide by the provisions of those policies as a part of this document. Organizations that would like to be categorized as a 'Club Sport' must first be approved by the CRW and adhere to all policies they specify as it relates to a club sport.

12. Term

This Agreement becomes effective on the date it is approved by the Director or Campus Activities or his designee and must be renewed annually. The University may terminate this Agreement under the provisions of the WCU Code of Student Conduct. The University may alter RSO status (probation or removal of recognition) and/or activities for failure to comply with this Agreement or the WCU Recognized Student Organization Policies and Procedures Manual. The RSO may terminate this Agreement for any reason upon thirty (30) days written notice to the Director of DCA. Absent early termination, this Agreement will automatically terminate in the spring of each year effective on the date of the University's May Commencement Exercises.

13. Waiver

Failure of the University to enforce any of the provisions of this Agreement shall not be construed as a waiver of that provision or any later breach.

14. Notices

Any notice under this Agreement shall be deemed given when sent by electronic mail to the signatory's primary University electronic mail address.

15. Entire Agreement - Amendments
This Agreement incorporates the parties’ entire agreement concerning this matter, supersedes any prior or contemporaneous understandings regarding its subject matter.
