

The Red Zone space, including tent space outside the south side of Bird, begins in the parking area and wraps around the EMS entrance door.

The front entrance of Bird is **closed**. Please proceed to the back entrance to the red tent for patient check-in after a healthcare provider has directed you to the Red Zone.

BIRD SOUTH ENTRANCE RED-ZONE TRAFFIC PATTERN*

*Patients in Red Zone have been previously screened by the phone triage nurse and/or a telehealth visit with a provider. These patients are potential COVID positive, but have been determined to need additional testing or examination beyond COVID screening/testing.
