When Can I Study Abroad?

The best time to study abroad differs depending on your major. Talk to the study abroad advisor. Generally, students study abroad during their Sophomore, Junior, and Senior year. Students have the option of studying abroad during their fall semester, spring semester, an entire academic year, or during the summer.

Getting Started!

WCU is dedicated to finding the right program for each student, and our vast array of partner universities allows us to do just that. Email studyabroad@wcu.edu or stop by Camp 109 to schedule an appointment with a study abroad advisor.

Do I Need To Know A Foreign Language?

Most of our international partners offer extensive coursework in English available to exchange students.

How Can I Afford It?

With exchange programs, students pay regular WCU tuition and fees. Housing and meal costs are paid to the host university. Any financial aid received at WCU can be applied to the program costs. In addition, students are eligible to receive travel grants and scholarships to help offset the costs of airfare.
