Why Study Abroad?

There’s a whole world out there waiting to be explored! Discover what it has in store for you by studying abroad. WCU’s study abroad opportunities range from a few weeks in the summer to a semester or a full year overseas. The Study Abroad Office is here to help you navigate along the way as you familiarize yourself with the eligibility requirements, application deadlines, fees and program options.

Do I Need To Know A Foreign Language?

Most of our international partners offer extensive coursework in English available to exchange students.

When Can I Study Abroad?

The best time to study abroad differs depending on your major. Talk to the study abroad advisor. Generally, students study abroad during their Sophomore, Junior, and Senior year. Students have the option of studying abroad during their fall semester, spring semester, an entire academic year, or during the summer.

How Can I Afford It?

With exchange programs, students pay regular WCU tuition and fees. Housing and meal costs are paid to the host university. Any financial aid received at WCU can be applied to the program costs. In addition, students are eligible to receive travel grants and scholarships to help offset the costs of airfare.

Getting Started!

WCU is dedicated to finding the right program for each student, and our vast array of partner universities allows us to do just that. Email studyabroad@wcu.edu or stop by Camp 109 to schedule an appointment with a study abroad advisor.

Deadlines
Summer/Fall: March 1st
Spring: October 1st
*Host institution deadlines vary based on location.
Avans University of Applied Science, Netherlands

A Dutch vocational university, with three campuses located in Breda, 's-Hertogenbosch, and Tilburg, Netherlands. NOTE: Only Avans' Forensic Science program (taught entirely in English) is available to Western students. It offers International Forensics, Forensic Biology, and Forensic Chemistry. https://www.avans.nl/international

Glasgow Caledonian University, Scotland

Located in the heart of Glasgow city, CCU is one of Scotland's largest universities and has three main schools: Engineering and Built Environment, The Glasgow School for Business and Society, and Health and Life Sciences. It offers Forensic Investigation. https://www.gcu.ac.uk/

University of South Wales, Wales

One of the top universities in Wales, with campuses in Cardiff, Treforest, Newport and Pontypridd. USW offers degrees in Analytical & Forensic Science, Forensic Biology, Forensic Investigation, Forensic Science, and Forensic Science with Criminology. As well as Engineering and Science; Business and Society; and Life Sciences and Education. http://international.southwales.ac.uk/

Galway-Mayo Institute of Technology, Ireland

GMIT is located in south-west Ireland. It provides a Forensic Science & Analysis degree along with many others in the heart of Galway city, overlooking Galway Bay. GMIT has four schools of study; the School of Business, the School of Engineering, the School of Science & Computing, and the College of Tourism & Arts. https://www.gmit.ie/
