After your order arrives, please complete an online Phone Service Request at:
<http://go.wcu.edu/phonerequest>

After we receive your approved service request the on-site phone service technician will be dispatched to complete the installaion.

The charge for telephone moves, adds, and changes is \$50.00 for the first instrument plus \$25.00 for each additional instrument on the same work order. The Telecommunications Office will charge the requesting department for telephone moves, adds, and changes by interdepartmental invoice.

In addition to the telephone moves, adds, and changes, any new phone line will be charged to the requesting department at a rate of \$20.00 per month per line. A transfer will be made from the department's current year budget for the months of use in the current fiscal year times \$20.00. At the beginning of the next fiscal year, the full \$240.00 annual charge will be transferred by the Administration and Finance office
