Bardo Arts Center On-Demand Virtual Experiences

Enjoy a 360° virtual tour of the WCU Fine Art Museum exhibition, Cultivating Collections: Painting, Sculpture, Latinx and Latin American Artists. Undergraduate students in WCU's Exhibition Practicum course assisted in the selection of works to display, interviewed artists, and evaluated strengths and opportunities for the collection. This interactive online tour will be available from August 18 - December 4.

Visit arts.wcu.edu/virtual to explore this exhibition, along with a collection of virtual arts experiences from Bardo Arts Center and the Belcher College of Fine and Performing Arts such as artist talks, performances, films, and more.

***Participants must RSVP through Engage to attend an in-person event. All in-person events will have limited capacity in accordance with mass gathering guidelines and participants will be required to follow safety procedures including, but not limited to, self-screening, wearing a face covering over nose and mouth, and maintaining prescribed physical distance.**
