Western Carolina University is accepting proposals for Construction Manager at Risk for the Science, Technology, Engineering, and Math (STEM) Building until 5:00 PM, July 26, 2016 in the Office of Facilities Management, located at 3476 Old Cullowhee Road, Cullowhee, North Carolina 28723. The project will consist of a new 185,000 square foot science and technology building on the main campus of Western Carolina University. The estimated construction budget of the project has been set at \$70,000,000.00. This cost will include the demolition of the existing Natural Sciences Building and the construction of a two phased, multi-storied, high performance building for the STEM programs. Project completion is scheduled for January 2021.

A Mandatory Pre-Proposal Conference will be held on:

Conference Date: July 11, 2016
Conference Time: 1:30 PM
Conference Address: Room 150
Stillwell Sciences Building
Central Drive
Cullowhee, NC 28723

For purposes of coordination, primary contact for project information is:
