Basement Apartment in Arden, NC

Location: Off of Ledbetter Rd. (just off of 26) in Arden, NC just 5 minutes away from the Biltmore Park Campus

Description: This apartment is located in a beautiful, family-friendly neighborhood. It is the finished basement of Mark and his wife's home (both of which are DPTs!) and they have two adorable children (toddlers). The space is 1,000 sq feet with a large living room area that has a fireplace. The kitchen has all stainless steel appliances and the bedroom is complete with a projector screen for movie nights. A personal washer and dryer are located in the storage room just off of the bedroom. There is a separate entrance to the apartment (around the back of the home) and you can interact with Mark and his family as little or as much as you would like. There is also a community pool just up the hill from the home that you may be able to access. They are looking to fill the space with two young professionals and would love to help out another WCU DPT student as they have in the past.
