Pre-Chiropractic

In order to become a Chiropractor, you must:

- Minimum of 90 credit hours or complete a bachelor’s degree (in any major)
- take the appropriate pre-requisite coursework (24 semester hours in life and physical science, half with labs)
- obtain a license to practice in desired state (may require board examination)

What should I major in?

While there is no prescribed major for admission into chiropractic school, it is imperative that students complete all required courses for admission. Requirements vary significantly among chiropractic schools.

24 Semester Hours total in the Life & Physical Sciences: Course Suggestions

- **BIOL 140, BIOL 141, BIOL 291, BIOL 292**
  Principles of Biology I, Principles of Biology II, Human Anatomy & Physiology I, Human Anatomy & Physiology II,

- **CHEM 139, CHEM 140, CHEM 241, BIOL 361 OR CHEM 361**
  General Chemistry I, General Chemistry II, Organic Chem I, Principles of Biochemistry

- **PHYS 130, PHYS 131**
  Introductory Physics I, Introductory Physics II

WHO CAN HELP ME AT WCU?
