## Articulation Agreement between Robeson Community College Associate of Applied Science degree in Emergency Medical Science and Western Carolina University BS in Emergency Medical Care.

- A. Students who complete the General Education Core, the Associate of Arts degree, or the Associate of Science degree will have their Liberal Studies requirements at Western Carolina University waived.
- B. If the above statement does not apply and 15.1 or more semester hours are transferred into WCU the first semester, the First Year Seminar is not required at WCU.
- C. If Liberal Studies requirements are not waived at WCU then students must take a course that has been <u>approved</u> as an Upper Level Perspectives course (300-400) in one of the Perspectives categories.
- D. Total hours required for a BS in Emergency Medical Care at WCU is 128 hours.
- E. This agreement will run continually without need for renewal. Updates to the agreement will be initiated and processed every two years. The update process will be completed as follows: copies of this agreement will be distributed to deans and department heads by February 1 of each update year. Updates or "no change" approvals to this agreement should be returned by March 15. If curriculum changes are identified by either institution during the review process, parties from both institutions will review and approve the proposed changes and make necessary updates to the course equivalency outline.
- F. Either party upon written notice can terminate this agreement. If the agreement is terminated, Robeson Community College students who have matriculated at WCU can continue until completion of the baccalaureate degree if they are continuously enrolled at Western. Also, students who are enrolled at Robeson Community College at the time may continue under the terms of the agreement as long as they are continuously enrolled. If the student ceases enrollment for two regular academic semesters, he/she must re-enroll under the most recently adopted agreement.

## Appendix B: Articulation Agreement for Undergraduate Degree-Effective Fall 2016

Degree Programs (CC & University): AAS-Emergency Medical Science Robeson Community College BS-Emergency Medical Care Western Carolina University

This articulation agreement between Robeson Community College (RCC) and Western Carolina University (WCU) allows graduates of the Associate of Applied Science degree in Emergency Medical Science at RCC to transfer credit towards a BS in Emergency Medical Care at WCU. Upon transfer to WCU, students from RCC must comply with all applicable Academic Regulations as listed in *The Record*, The WCU Undergraduate Catalog.
