

SEI Meeting Minutes – 1/31/18

- Introductions
- Budget update
 - Adam will be working more closely with Kaseson
 - Once we have an update, we will evaluate what size new projects we will fund and evaluate the costs of continuing to fund current projects
- Project Updates
 - Campus Tree Identification
 - Adam will be meeting with Dr. Diane Styers this Friday
 - Edible Campus
 - Order has been submitted, we are now waiting on a delivery date
 - Trying to get Nutrition Club involved through Andrew
 - Lauren Bishop can get the Nutrition Club adviser in contact with Morgan
 - Lauren will get a cost estimate for signage for the edible trees
 - Can You Crush
 - Adam is in contact with Paola to find a meeting time
 - Solar Table
 - The solar table will be set on Monday!
 - EGG
 - A work order has been submitted for the materials needed for EGG updates
 - This is a fluid project
 - Waiting to hear a time frame
 - Labor will be free
 - Plan has to be submitted to DOT
 - This will provide power to this section of campus
 - Water Fountains
 - Stillwell water fountains have been installed
 - One fountain is leftover because it could not be installed at HHS
 - SEI will not be billed for the third, leftover fountain
- Upcoming Events
 - RecycleMania
 - February 4th-March 29th
 - State- and national-level recycling competition
 - Eco CATS is adopting 3 basketball games
 - ACE Advisory Committee meeting
 - February 7th, UC Dogwood room
 - Can promote sustainability at this input meeting
 - WHEE Lead Conference
 - February 17th
 - FREE for students! And a HUGE resume builder!
 - SEI presents from 10:40-11:25am in the UC Raleigh Room
 - Project/Proposals Workshops
 - Will begin in March

- We will have an updated version of project proposals online soon
 - We want to be able to help people fill out their proposals – host a workshop
 - Members should look over proposal form and help us update it to eliminate “holes” in previous projects – this will make it easier for us down the line
 - Example: maintenance costs
 - Earth Month
 - April
 - It will have a lot of events – more details to come
 - Possible giant Mt. Trashmore event
- Committee By-Laws/Responsibilities
 - Potential updates to current by-laws
 - Have a permanent meeting time every semester so that everyone can plan around committee meetings
 - Might need more motivation
 - Plan to give PR/marketing, project managers, and treasurer more structure and explicit expectations for tasks between meetings
- Josh Brooks is REI Committee leader from Appalachian State and will be coming here one Wednesday soon
- Register for the Mid-Year Energy Summit – Tuesday, February 20th (Advising Day)
 - Contact Lauren Bishop to attend
 - It’s free for students
- There will be a new SGA Environmental Senator soon

- **BRING TO NEXT MEETING:** When you leave this committee, what would you like to have accomplished?
