

DSST Exam Credit

The nationally recognized DSST Credit-by-Exam Program is a prior learning assessment tool that gives students the opportunity to get college credit for learning acquired outside the traditional classroom. The exams have been evaluated and recommended for credit by the American Council on Education.

Below is a guide to the DSST exams that have been evaluated. If the exam you took does not appear in the table, please reach out to the Office of the Registrar (registrar@wcu.edu) to have it reviewed.

Exams may have any of the two-letter subject codes listed below.
