How to register for classes in myWCU

Log into WCU. The quickest way to get to the registration module is to click the Registration box in the middle of the page or to search for it in the Search Menu. You may also click Personal Services under the Quick Links on the right side of the page to find Registration.
Searching for “registration” brings up a few options. Click any of the options shown here to open registration.
The registration module appears as below. Click Register – Add/Drop/Withdraw.
First, select the term for which you wish to register. There may be multiple terms available for registration, so be sure to select the correct one.

```
Select a Term

You will be prompted for a registration PIN.

Enter your alternate PIN. If you do not have the PIN, contact your advisor or the Advising Center.
Search for classes:

Enter the subject you wish to search for. As you start typing, suggestions will appear.

You may search for all courses in a subject or enter a course number to narrow your search.
You may adjust the page view in order to see schedule along with class search.

Click the Panels button to view class search along with your schedule and a summary of your registration.
Click in the Subject box to open a list of all subjects. You may scroll through this list.
You may search for multiple subjects at once.

Or search for all the courses in one subject.

You may add multiple subjects for searching by clicking here.

To search for all classes in one subject leave course number blank and click Search.
Results from a one-subject search:

Some classes are linked, meaning you must register for both. These are usually lecture/lab classes, as seen below.
Attempting to register for a linked course without selecting both courses results in an error. 

When the courses are added to the summary, click Submit to register.
Registration saved.

You may search for a specific course subject and number.
If a class has a prerequisite which you do not meet, you will receive an error.

If you attempt to register for a course for which you do not meet the prerequisite, you will receive a registration error.

The error displays here.

Hovering the mouse over the status will display the error.
If you attempt to register for a course you have already taken and for which repeating is now allowed, you will receive an error.

If a class is full you will receive an error message. If there is a waitlist, you may register for that if there are seats available.
Register for a waitlist seen as seen below.

Select Wait Listed and click Submit to be added to the waitlist. If a seat becomes available in the course, you will receive an email notifying you and will have 24 hours to claim the seat.
Successfully waitlisted.

You have been waitlisted for the class.
To drop a class:

To drop a course, select Web Drop and click Submit.

Course has been dropped.
Course is deleted.
If you have the five-digit CRN for a class, you may enter that directly instead of searching for classes.

Enter the CRN as seen below. You may enter multiple CRNs and must do so if registering for linked courses.

You may enter multiple CRNs. In the case of linked courses, you must enter them at the same time in order to register.

Click here to add the classes.
