

## Cambridge International AS & A Level Examinations

Similar to Advanced Placement examinations, students who take Cambridge International AS & A Level examinations can earn credit hours. We accept A(a) – E(e) grades. Cambridge does not provide transcripts with any grades below that.

Below is a guide to the Cambridge International exams that have been evaluated by our departments. If the exam you took does not appear in the table, please reach out to the Registrar’s Office ([registrar@wcu.edu](mailto:registrar@wcu.edu)) to have it reviewed.

If you did not designate Western Carolina University as a score recipient when you took the exams, you can order your score report from the Cambridge International Education Organization (<https://gradetranscripts.cambridgeinternational.org/>).
