YOUR IMPACT / WAYS TO GIVE

COMMITTED TO CREATING CHAMPIONS

Western Carolina Athletics is Committed to Creating Champions by providing a first-class student experience through holistic student-athlete development. Your support is instrumental in affording us the opportunity to accomplish these goals. Your donation and involvement allows our student-athletes to achieve comprehensive excellence in the classroom, fields of competition, and community.

Catamount Club members enjoy many great benefits as seen on the benefits chart. Along with these great benefits is the most rewarding benefit of fostering a championship culture while preparing our student-athletes for lifelong success.

Your philanthropic support truly makes a difference. By supporting the Catamount Club, you provide nearly 350 student-athletes an opportunity to grow in every way, as they strive to earn their degree, and compete to win championships. Your gift directly impacts the experience of current and future student-athletes at Western Carolina University.

We ask YOU, Catamount Nation, to become engaged with Catamount Athletics for the first time or to continue your support.

Thank you for your support and **GO CATAMOUNTS!**

Cash & Credit Card Gifts:

Please make your checks payable to the WCU Foundation and note Catamount Club in the memo line. The Catamount Club accepts Visa, Discover, MasterCard and American Express for pledge payments.

Endowment Gifts:

An endowment may be established in honor or memory of an individual, family or organization to provide a perpetual gift for WCU Athletics. Gifts to the endowment fund are invested and a portion of the return is used to fund scholarships each year. This gift will create an eternal legacy of your support for Western Carolina Athletics, as the principle is never spent.

Securities:

Appreciated stocks are excellent options to make a gift to the Catamount Club, as the donor may avoid capital gains taxes and still receive charitable income tax deduction.

Planned Gifts:

Planned and deferred gifts are an increasingly popular way to make a significant contribution to Catamount Athletics. Insurance policies, real estate, annuities, bequests, and trusts are among the ways to leave a legacy to Western Carolina.

Gift-In-Kind:

Rather than a monetary gift, the Catamount Club may accept goods and services that assist in saving expenditures to the athletic budget.

Matching Gifts:

Many companies and corporations provide matching gift programs for employee contributions.
