- Elimination of professional development that requires financial commitment.

  - Printing: reconsidering what can be shared virtually rather than printing, continue partnering with Residential Living for ongoing support in printing items for RAs, Residence Life Hearing Officers
  - Office Supplies: reconsider purchasing of office supplies such as tissues, writing utensils, etc. – this is already an area that is carefully considered.
- Elimination of Graduate Assistant position
- Personnel Searches – while searches are not anticipated in 2024–25 academic year, if they are necessary, consider fully virtual processes to save on travel expenses.
- Reconsider contract with eCheckUp ToGo
