<b>Actual Number of Students Competing</b>				

**FEES**

<b>\$10 x Total Number of Contestants</b> _____	
<b>\$7 x Number of Sponsors/Teachers</b> _____	
<b>Total Registration Fees</b>	

I have enclosed a check/money order for \$\_\_\_\_\_ to cover all fees associated with our school participating in the WCU Mathematics Contest on Thursday, March 14, 2024.

I certify that the contestants at the 51<sup>st</sup> Annual Mathematics Contest will be selected in accordance with the 2023-2024 Contest Rules as described in the NCCTM State Mathematics Contest Rules of Eligibility. I further certify that the students registered by our school are competing at one and only one test (contest) site. I understand that if our school fails to abide by all contest rules that it and/or its contestants may be rendered ineligible for individual and/or school awards.

By signing below, you agree to abide by the rules and guidelines listed above.  
If you have any questions or concerns, please email Andrew Chockla at [achockla@wcu.edu](mailto:achockla@wcu.edu)

Signature of the Designated Sponsor \_\_\_\_\_

**If you are not enclosing a check, you do not need to send a printed copy of this form. Instead, please send a scanned copy of this form via e-mail to [achockla@wcu.edu](mailto:achockla@wcu.edu) no later than February 14 so we can finalize a head count for logistics.**

**If you are enclosing a check, please mail the check along this form with a postmark no later than March 1 to:**

Dr. Cory Howk  
Department of Mathematics & Computer Science  
Western Carolina University - Stillwell 441  
Cullowhee, NC 28723

**Note: Please make checks payable to Western Carolina University AND enclose the check with the School Enrollment form on or before March 1, 2024. Items postmarked after this date may cause the school to be ineligible for participation.**

**The maximum number of contestants allowed is based on total school enrollment in grades 9-12. Middle Schools are allowed to register up to 5 contestants for each level of test.**

1. Maximum Number of Contestants for each of the Levels I, II, and III:

<u>Total School Enrollment (9-12)</u>	<u>Maximum Number of Contestants</u>
1-400	5
401-600	6
601-800	7
801+	8

2. Maximum Number of Contestants for Comprehensive Division:

<u>Total School Enrollment (9-12)</u>	<u>Maximum Number of Contestants</u>
1-600	8
601-800	10
801+	12

### **Accommodations for Students with a Disability**

Schools registering contestants with a disability must submit with the registration materials documentation regarding the disability so that testing accommodations may be determined regarding:

- 1) Enlargement of test.
- 2) Converting test to Braille.
- 3) Assistance with filling in answer sheets.
- 4) Assistance with interpretation of figures.
