

CEAP ASSESSMENT DAY

February 5, 2021 from 9am-12pm

Zoom <https://wcu.zoom.us/j/83470223923>

How do we define success?

Are CEAP students successful?

How do we use data to improve outcomes?

Assessment Day Goals

1. Faculty and staff have dedicated time to collaboratively investigate student learning and operational effectiveness within CEAP programs and units. They engage in review, analysis, and reflection on data collected in the most recent period.
2. Faculty and staff are aware of, understand, and have the needed support to meet WCU and CEAP assessment processes, products, and timelines.
