

Office of Institutional Assessment
Plan for Academic Program Assessment (2022-2027)
Western Carolina University

Please complete an assessment plan using the template below, which covers the years in the second five-year term of our 10-year institutional accreditation cycle. All outcomes are to be measured twice within a 5-year period; we recommend entering 6 outcomes on your assessment plan.

Academic Program:

Student Learning Outcome 1

Is this a required outcome from an external accreditor?

Outcome (*Enter outcome language*):

What is your baseline expectation?

Example: 80% of students will meet expectations.

How will the outcome be measured, and where will you collect this assessment data?

Example: The outcome will be measured with an assignment in Assessment 101.

Have you identified at least one direct measure of learning?

Example: Assignment, text/exam/quiz, presentation, portfolio, etc.
